STATEMENTS

The Editorial Board of the *Scientific Journal* – Polish Air Force Academy (*Zeszyty Naukowe* - Wyższa Szkoła Oficerska Sił Powietrznych) informs all authors of the papers published in the quarterly that the journal was positively evaluated by the Ministry of Science and Higher Education. In accordance with the statement of the **Ministry of Science and Higher Education** of 23rd December 2015 (part B, the list of scientific journals of the Ministry of Science and Higher Education, item no 2098), the *Scientific Journal* – Polish Air Force Academy (*Zeszyty Naukowe* - Wyższa Szkoła Oficerska Sił Powietrznych) received 4 points.

In July 2015, the journal was also put under the evaluation of the IC Journals Master List 2014. The indicator ICV is often used for a bibliometric assessment of scientific activity. The Editorial Office of the journal, kindly informs all authors of the papers published that the journal was positively evaluated by the IC Journals Master List 2014. On 8th December 2015, the journal received the ICV grade (Index Copernicus Value) – **21.15 points**, where a standardized value of the ICV is **2.33 points**.
